

Woodgate Primary School Values

Respect

We treat everyone with kind words and actions: we look after our school and the things in it.

Honesty

We tell the truth in a kind way and we own up to our mistakes.

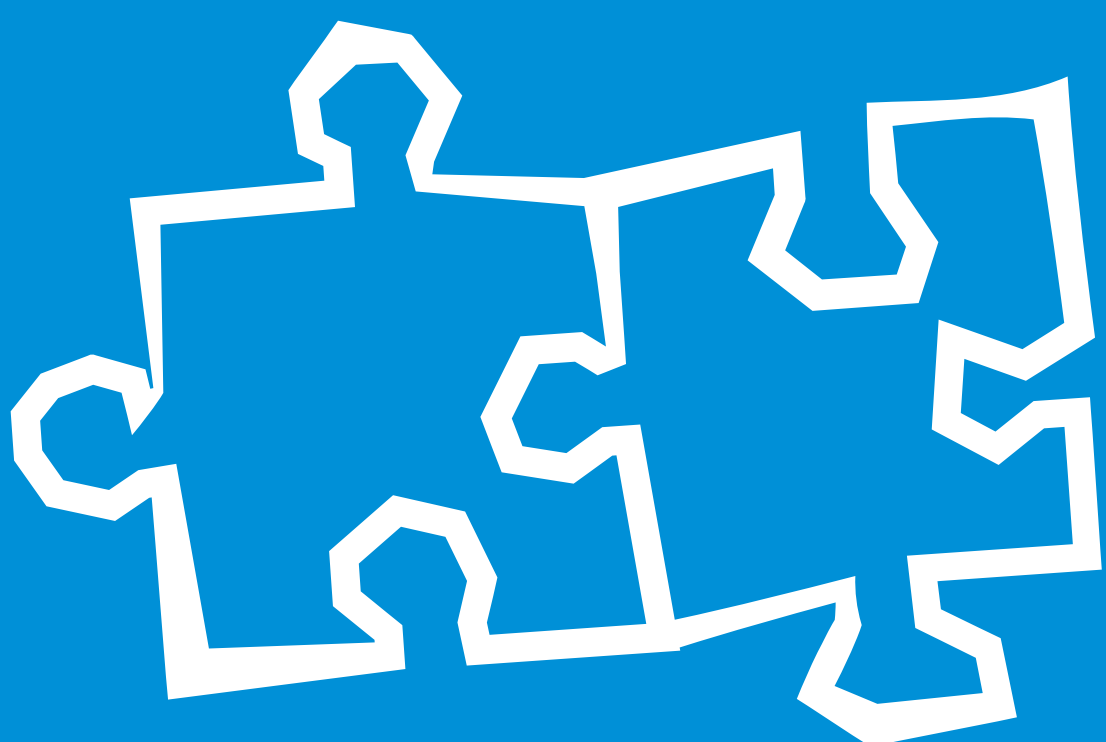

Responsibility

We take care of everyone in the Woodgate family, the community and the world we live in.

Co-operation, Tolerance and Inclusion

We work together and accept everyone for who they are because we are all special in different ways.

Aim High and Persevere

We try hard to do our best and we don't give up on people or tasks.
